

# NORTH WOODS ADVENTURES

## MAGALLOWAY MOUNTAIN

Drive north 3 miles to Magalloway Road on the right, follow this road for 5 miles. Turn right at the sign, and continue for another 3 miles. The trailhead is at the end of the road that leads to the tower. There are two trails Bobcat and Coot.; Coot is more strenuous. Magalloway Mountain is one of the highest peaks with an elevation of 3,360'. (1 hour to the summit )

## GARFIELD FALLS

A beautiful place to see. Go north 3 miles to Magalloway Road on the right. Go 11.2 miles, then stay straight (don't go over the bridge to the left) another 1 mile to a small turnout on either side of the road. The trail is to the left and it is a 1/4 mile to the falls. There is an informational kiosk at the trailhead. It is a great place for swimming and exploring so bring your bathing suit.

## HAYSTACK MOUNTAIN OVERLOOK

Drive north 3 miles to Magalloway Road on the right. Take this road for 11 miles and then bear left. You will go over a bridge. Drive 1/3 of a mile and take a left (Camp 8 Trail). Go to mile marker 3 and take a right. Stay on this road all the way to the top of the mountain and the road dead-ends. You will be looking at the back side of Mt Magalloway.

## FOURTH CONNECTICUT LAKE

This is where the Connecticut River begins. Drive North on Route 3 to the US Customs building, park in their parking lot, and take the trail behind the border house. The trail is steep in places and follows the international boundary's at times. (1 hour to get to the lake.)

## MOOSE ALLEY

Head north on US Route 3 approximately 3 miles. You will go up a steep part of Rte 3. As you reach the top, this is the start of "Moose Alley". Moose Alley continues on Rte 3 until the Second Connecticut Lake Dam. More moose viewing opportunities exist between Second Connecticut Lake and the US / Canadian border but certainly the most actively visited moose hang-outs are between Corkscrew Hill and Second Lake Dam. A complete tour of "Moose Alley" is about 45 minutes

## MOOSE ALLEY TRAIL

Head north on US Route 3 and travel approximately 4.5 miles. There is a pull off on the right. Park there and the trail is across the brook. Trail is approximately 2 miles long. A quiet walk in the woods where you might see some wildlife!

## ARTHUR & CHRISTIE JOHNSON MEMORIAL FOREST

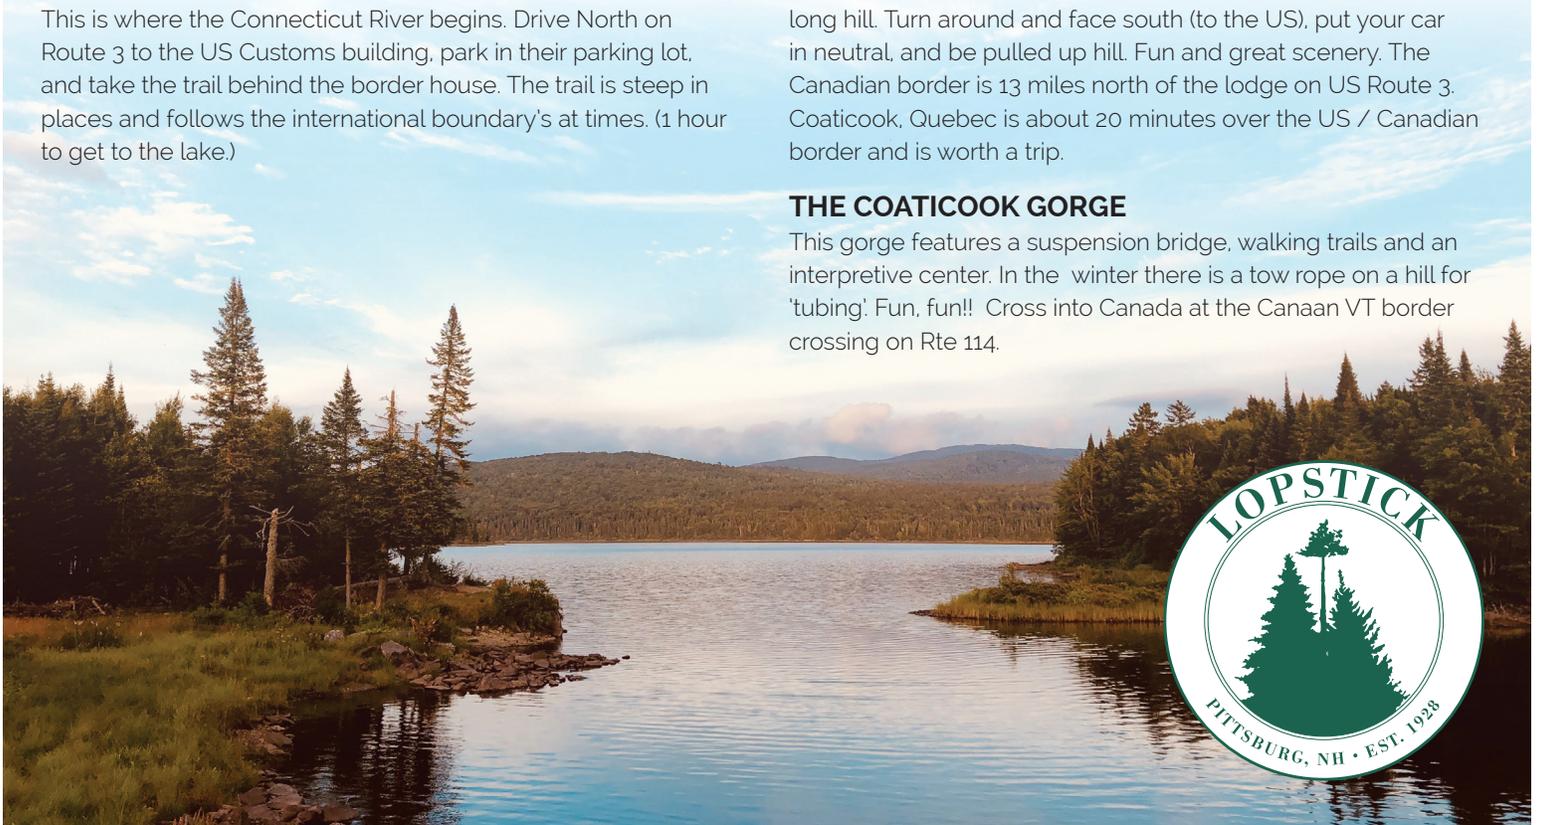

A great place for an easy walk in the woods. Located across from the Pittsburg Fire Station near the village of Pittsburg, this protected forest land has nesting osprey, walking trails and good vantage points to observe the woodland creatures. Good shoes are suggested for this gentle walk. Dogs not permitted.

## MAGNETIC HILL

Cross the border into Canada and drive to the bottom of the long hill. Turn around and face south (to the US), put your car in neutral, and be pulled up hill. Fun and great scenery. The Canadian border is 13 miles north of the lodge on US Route 3. Coaticook, Quebec is about 20 minutes over the US / Canadian border and is worth a trip.

## THE COATICOOK GORGE

This gorge features a suspension bridge, walking trails and an interpretive center. In the winter there is a tow rope on a hill for 'tubing'. Fun, fun!! Cross into Canada at the Canaan VT border crossing on Rte 114.

# DIRECTIONS TO NORTH COUNTRY PONDS

## MOOSE POND

(Fly Fishing Only) Take US Route 3 south 3+ miles to Back Lake Road. Take a right. Follow Back Lake Road for approximately 2-3 miles to Moose Pond Road. Take a right onto Moose Pond Road. Moose Pond will be 2 miles down on the right hand side. There is a turn out and an unimproved small boat launch.

## MIDDLE POND

Take US Route 3 south 3+ miles to Back Lake Road. Take a right. Follow Back Lake Rd for approximately 2-3 miles to Moose Pond. Take a right onto Moose Pond Road. Middle Pond and its unimproved boat launch area are on the left 1.5 miles on Moose Pond Road.

## COON BROOK BOG

(Fly Fishing Only) *\*\*\*Boat for Rent\*\*\** Take US Route 3 north approximately 3 miles to Coon Brook Bog Road. Take a left onto Coon Brook Bog Road. Go about two miles, then take the second left turn. This will lead you to the small dam on Coon Brook. The gravel road is gated just past this turn.

## ROUND POND

*\*\*\*Boat for Rent\*\*\** Take US Route 3 north 1+ mile to Round Pond Road. This is the second left turn north of the lodge. There is a flat rock facing Route 3 with the road's name on it. Take Round Pond Road to where the road forks. Bear right. The unimproved boat launch is a 1/4 mile or less on the left.

## BIG BROOK BOG

(Fly Fishing Only) *\*\*\*Boat for Rent\*\*\** Take US Route 3 north 4.5 miles to Big Brook Bog Road. Big Brook Bog Rd is the second logging road on the left in the Headwaters tract. Follow gravel road and take the second right to access the pond.

## TERRILL POND

(Fly Fishing Only) Take US Route 3 south approximately 10 miles. Turn right just after the old Indian Stream Eatery & Cantina on Indian Stream Road which is now closed. Continue past mile marker # 12 but not past marker # 13, look for the road on the left with no gates. Turn left and continue over the new culvert. Go over the wash out in the road, continue less than a mile. Take the next left turn into the woods that will lead you to the dam and launch area.

## BOUNDARY POND

(Fly Fishing Only) *\*\*\*Boat for Rent\*\*\** Boundary Pond dam was breached in June, 2010 caution is advised on East Inlet Rd North Take US Route 3 north to East Inlet Road, a right turn off Rte 3

approximately 10 miles north. Just after the bridge at the T in the road, bear right. Follow this good gravel road about 10 miles; maybe more. You will drive over a place where the road has washed out revealing the ledge below. As you drive over this there is a small beaver pond immediately on your left. Take the next left, another good gravel road, and you will go up nearly a mile. Park at the top and take the path behind the boulders.

## CLARKSVILLE POND

(Fly Fishing Only) Take US Route 3 to Route 145. Go approximately 5 miles. You will go up and over Ben Young Hill. The vistas from here are gorgeous! As you near the bottom of Ben Young Hill you will enter an S curve. There will be a road to the left. Bear left again and that is Clarksville Pond Road. Go to the top of the hill, Clarksville Pond will be on your left. There is a decent, small boat launch there.

## PERRY STREAM

Take US Rte 3 south 3 miles to Day Rd. Turn right onto Day Road. The stream can be accessed in numerous spots shortly after the houses end. This is a good gravel road; 4wd is not necessary. Other access spots include Hill Road and River Road; both within 2 miles of the lodge. Fly fishing only in the section from the Happy Corner Bridge to Connecticut River.

## EAST INLET

*\*\*\*Boat for Rent\*\*\** Take US Route 3 north to East Inlet Road. Take a right turn off Route 3 approximately 10 miles north. Just after the bridge at the T in the road, bear right. East Inlet will be one mile from this point on your left. It is a great place to kayak, fish and view moose in the water. Park at the dam.

## HARRIS POND

Take US Route 3 south 3+ miles to Back Lake Road, a right hand turn. Follow Back Lake Road for approximately 2-3 miles to Moose Pond. Take a right onto Moose Pond Road. The road to Harris Pond is immediately on your right. It is a forested, dirt road nearly at the intersection of Moose Pond Road and Back Lake Road. Harris Pond will be approximately 1.5 miles from this point. You can park and walk or with 4WD and dry weather you can make is a little ways in. The Road is easy to walk. But the grade increases as you near the pond. Nice way to spend an afternoon!
